To love, to love You my King

My heart is softening, My eyes are opening, And I'm listening, I'm listening

Every word You speak, All the love You show is beckoning, is beckoning,
Am7 G F
And I hear You calling

Gsus **F**
I crown You with my love

You're faithful to my heart

Here's my heart abandoned
Here's my love, its real
All I have I pour upon Your feet
To love, to love You my King

I live to love, to love You my King.
